I gave you my love, you can only guess how much you gave me in happiness. I thank you for the love you each have shown, but now it's time to travel on alone. So grieve a while for me, if grieve you must, then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories that lie within your heart. I won't be far away, for life goes on, but if you need me, call and I will come...though you can't see or touch me, I will be near. And if you listen with your heart, you'll hear all of my love around you, soft and clear ... and then when you must come this way alone ... I'll greet you with a smile and "Welcome Home."
